

MUNSTER SWIM CLUB
Guidelines for Parents Attending Swim Practices

1. Everyone must enter the high school practices through the glass doors (Entrance K) to the north of the pool doors.
2. Demonstrate respect for all coaches and swimmers on deck and in the water.
3. Seating in the stands will begin at row 6 and flow upward to accommodate space for dry land exercises.
4. Keep conversations quiet and to a minimum. Please leave the pool area to talk socially, if necessary.
5. No parents or siblings of swimmers are allowed on deck.
6. Never interrupt the Coaches while they are actively working during scheduled practices.
7. Leave the coaching to the Coaches! It is their job.
8. All siblings of swimmers must be supervised 100% of the time. Children cannot be free to run in the hallways, washrooms, and or locker facilities of the high school.
9. Check your mailbox daily at the end of practice for new information.
10. Demonstrate a positive attitude that is reflected in your behavior and communication with your swimmer and coaching staff.
