

MUNSTER SWIM CLUB PARTICIPATION POLICY 2007/2008

The Munster Swim Club is a cooperative venture that requires parent participation for a successful program. This participation policy was designed to provide guidelines regarding the minimum amount of family involvement required in MSC activities. Many families volunteer beyond the minimal standard required, and we encourage families to get involved.

1. ***All families*** with a swimmer(s) are required to work a minimum of Four "sessions" over the course of the season

A "session" means: 1) an entire dual meet, or 2) one or more sessions of our Swim Your Own Age Invitational Meet that will be held November 2-4, 2007 or 3) one or more sessions of the MSC 8 & Under Swim Spectacular that will be held on February 3, 2008. Other volunteer opportunities will be available throughout the season, like assisting with pool and or holiday parties.

2. At swim sign-ups ***All families*** must write one post-dated check in the amount of \$200.00. The check should be post-dated for February 4, 2008. After working the minimum required sessions, checks will be voided and returned. Failure to work ***FOUR*** required sessions will result in the forfeiture of the held deposits as of February 4, 2008.

3. All swim families will be provided various opportunities to meet their minimum participation requirements. Volunteer sheets will be posted at the pool(s) well in advance of scheduled events.

4. Taking on a supervisory position, (i.e., committee chair) will fulfill all session requirements with MSC. Some examples of committee chairs include, but are not limited to the following:

- 2 Chairs for Concessions.
- 2 Chairs for Team Awards.
- 1 Chair for the Annual Awards Banquet to be held in April.
- 1 Party Chair
- 1 Spirit Wear Clothing Chair
- 1 Publicity Chair.
- 2 Computer Chairs (Colorado Timing & Meet Manager)
- 2 Clerk Of Course Chairs.

Other positions that fulfill participation requirements for the season include: Officials, Web Master, and Audit Committee Members.
